Valentine's Day ends with deadly shooting last Wednesday night, Feb. 14

Three suspects arrested for murder of Elba man

by Linda Hodge, Editor

Three people were arrested on murder charges Thursday afternoon, Feb. 15, stemming from a shooting that occurred at approximately 10 p.m. Wednesday night, Feb. 14, in Elba.

Elba Police investigated the shooting, which resulted in the death of a male subject identified by Coffee County Coroner Arnold Woodham to be Ethan Christopher Hill, age 24, of Elba.

The shooting and subsequent death occurred in the 1400 Block of Jones Street in Elba, according to 12th Judicial Circuit District Attorney James Tarbox. He said Elba Police, Coffee County Sheriff's Deputies, the Alabama Law Enforcement Agency, the Coffee County Coroner's Office,

and the District Attorney's Office all responded to the scene.

"Based upon information gathered during the investigation, arrest warrants for the charge of murder were obtained for three individuals," Tarbox said.

Arrested last Thursday afternoon by Coffee County Deputies and charged with murder were Freddie Junior McGee Jr., age 31, of Enterprise, Ala., Lena Michelle McGhee, age 52, of Elba, Ala., and a 17-year-old female juvenile.

"Our office has requested that each defendant be held without bond pending an Aniah's Law (Code of Alabama 15-13-3) hearing," Tarbox said.

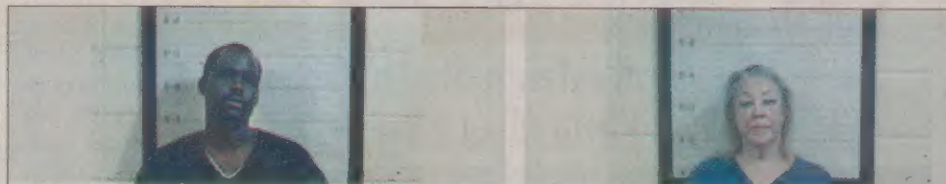

While information on the juvenile suspect is confidential due to her age, both Freddie Junior McGee and Lena Michelle McGhee

each had their initial court appearances before Coffee County District Judge Joshua Wilson on Friday, Feb. 16, at which time their Aniah's Law hearings were set for this Thursday, Feb. 22, at 1:30 p.m.

Attorney Richard Waldrop was appointed to defend Mr. McGee, and he requested a preliminary hearing for his client. That hearing was set for March 14, at 10 a.m., at the Coffee County Courthouse.

Attorney Andrew Scarborough was appointed to defend Lena Michelle McGhee. During her initial appearance, her case was forwarded to action of the Grand Jury unless demand for a preliminary hearing is scheduled during this week's pre-trial Aniah's Law hearing [Feb 22nd].

Coffee County man dies from tractor accident

The Coffee County Central Communications Center [911 Dispatch] received a call Friday, Feb. 16, reporting that a person had been involved in an accident with a farm tractor in the 1000 block of Highway 134, Kinston, Ala.

Coffee County Sheriff Scott Byrd said his deputies arrived on scene a short time later and found that a 79-year-old male had been working on the tractor when it rolled over on him causing serious physi-

cal injury.

The man, later identified as Wendell Moore, was airlifted from the scene by Enterprise Rescue Air 1 and transported to the Fort Walton Beach Medical Center for trauma treatment. Unfortunately, he died the following day, Saturday, Feb. 17, at the Fort Walton Beach hospital.

Funeral services for Mr. Moore were held Tuesday of this week from Wyatt Funeral Home of Opp, Ala.

Cuzin Lou Lou's Tales from Yonder

Editor's Note: Cuzin Lou Lou's tales are to be enjoyed as a light-hearted form of Southern expression

Cuzin Lou Lou and Sister had every intention of eating at a new [for them] pizza joint last Friday night, but when they arrived at their destination, the large crowd waiting caused them to quickly change plans. Instead, they went to another popular restaurant best known for its steaks.

Lou Lou figured the wait for this place would be just as long, if not longer, than it appeared it was going to be at the pizza joint, but she was pleasantly surprised with how quickly the staff at the restaurant moved folks and got them seated. A couple of 2-person parties ahead of Lou Lou and Sister decided against the high-top table option they were offered... they opted instead to wait longer for a regular table. Well...when the young lady called for Lou Lou and Sister, Lou Lou let her know even before she could get the question out that she and Sister would take the high-top table.

Lou Lou had never ordered anything but steak to eat at this restaurant in times past, but on this occasion, both she and Sister opted to try something different. Part of the reason was that Lou Lou was planning to cook steaks at home the following night.

Lou Lou ordered a grilled chicken teriyaki entrée while Sister opted for a grilled chicken BBQ type entrée. Both were pleasantly surprised with their choices. Lou Lou is convinced her chicken teriyaki was the best she had ever eaten while Sister said her chicken, which was covered in BBQ sauce, bacon and cheese, also was very tasty.

A short while later, the two exited the restaurant with full tummies, and agreed it was a good idea on that night to "go against the norm" and try something new. The only problem now is the next time Lou Lou visits that restaurant again, she will be torn between the steak or the teriyaki chicken now...she guesses it will come down to a split-second decision. Oh well...that is a good problem to have as far as Lou Lou is concerned.

Lou Lou and Sister will make it back to try the new pizza joint eventually, but last Friday night, they made a pretty good decision to go with "Option B" for supper.

Oh yeah...the steaks Lou Lou grilled for the Yonder Gang the following night were great too! Even Little Bean had her own small sampling of ribeye, and she gobbled it up quicker than most could swing a bat!

The bad news, however, is Sister has been speaking ugly words again this week...she thinks it is time to "cut back" on some food options and opt for a healthier diet for a bit. The thought just makes Lou Lou shudder even though Sister is probably correct (don't tell her Lou Lou admitted that!). We shall see what happens.

Until next time...God Bless and Keep Smiling!

and activity booklets that are available to children and schools throughout the state and beyond.

SHORT the Squirrel's appearance at the State House provided an opportunity for legislators to learn more about the organization's ongoing projects and initiatives aimed at enhancing literacy levels in Alabama. This includes the launch of its upcoming virtual birthday party and corresponding curriculum, which teachers across the state can access and receive for free to use as a supplement to their existing lesson plans as long as

they are registered in advance.

Developed in partnership with Alabama Resource Conservation and Development (RC&D) Program and the Alabama Farmers Agricultural Foundation, SHORT's fourth birthday party takes place in Dothan and highlights the rich agricultural bounty of the state in a fun and interactive way.

"We are thrilled to collaborate with SHORT the Squirrel in our ongoing efforts to make Alabama a better place to live, work and play," said Nick Williams, chairman of the Al-

abama Association of Resource, Conservation, and Development Councils. "Our partnership exemplifies our shared values and determination to create a more empowered society while highlighting all the wonderful things Alabama has to offer."

As Alabama continues to prioritize education and literacy, the presence of SHORT the Squirrel at the State House serves as a symbol of unity between families, educators and the community in the pursuit of a brighter, more educated future for young Alabamians.

Mend a Broken Heart Month

February can be a trying time for those who have experienced a loss. While for most, February has other more symbolic meanings, it is also Mend a Broken Heart Month. In the spirit of mending broken hearts, here are a few ways to cope with the grief of a lost loved one.

For those who have experienced a recent loss, the prospect of going out and dating again can seem scary and even disrespectful to their lost partner. There are plenty of dating groups both community and online that specialize in helping widows and widowers find love again after a loss. These groups often provide both emotional support and physical activities to encourage those who are bereaved to mingle and grow together past their grief.

If your grief is still too recent, there are projects that can help ease the pain of loss. If your lost beloved had a favorite shirt or sweater you don't mind parting with: try adding some pillow filler to the garment and sew up the sleeves and the neck. The completed pillow can now provide some comfort, as if your lost loved has never truly left.

If there was a cause you and your lost loved one supported together: try donating your time or energy to the same cause to honor their legacy. If there was not a cause you and your loved one shared, there are plenty of other causes that are doing great work during the month of February. In addition to Mend a Broken Heart Month, February is also Women's Heart Health Month. Those causes can be supported by donating blankets to those in need, winter coats to the homeless or donating time to visit the lonely in hospice care centers or local nursing homes and hospitals.

This February, take some time to try and mend a broken heart: be it yours or someone else's. Know you are not alone and things will improve. Be kind to yourself and know your feelings of sadness are normal. Don't hesitate to reach out to others if you need some extra support.

Celebrating Black History Month

Rod Ziegler - Christian Comedian

Whether helping in the neighborhood or volunteering his time as a youth counselor at the Center

for Drug Free Living, Rod Ziegler always finds a way to make people laugh and enjoy living. In more reflective moments, he consistently Celebrating Black History Month Benjamin E. Mays strives for the best in humankind, urging today's young people to take pride in themselves and to never stop reaching for the stars. The students at Bethune Cookman College where Rod majored in mass communications thought he was the "cat's meow." During his time there, he was constantly sought after to do campus events and continues to do so to this day. In his development as a comedian, he admits to being greatly influenced by Bill Cosby, Sinbad, and Jonathan Slocum. Notwithstanding such great names in the comedic world, Rod's greatest influence by admission is God. Rod believes his sense of humor is a gift from God, whose inspiration helps him to write the plethora of hilarious jokes he comes up with in his career.

In a short time, he has opened for such notables as God's Property, Trinity 5/7, and others. He has appeared on national television. Rod also received rave reviews for his performances in the theatrical productions of the colored museum and soldiers play.

The second artist to sign with the newly formed Allen and Allen Music Group, Rod was extremely excited about his first comedy album release, Stop Me If I'm Lyin! Filmed before a live, packed audience at the Potter's House Church in Orlando, Florida, the video sold like hotcakes, highlighting in a big way his connection with the audience. He appears to slip into and out of character effortlessly. One woman lost count of how many of the videos she

bought and gave away to friends who were depressed or, in one instance, suffered from rheumatoid arthritis. Viewing the video lifted their spirits. She had given away her last video and when she attempted to order more, she was told they were no longer available. Seeing Mr. Ziegler in person, she told him what she'd been doing with the videos. He was humbled almost to tears to discover his video was being used to minister to the needs of others, and he gave the lady an autographed video to keep for herself.

One of the benefits of celebrity status is being asked to do what he loves: speak with young people. They gravitate toward Rod because he is informative and funny. One of the headliners from whom Rod opened said that he appreciates Rod's clean, comedic style and that when you're funny, you're just funny! Through all his successes, Rod keeps it clean and gives God the glory and all the credit, keeping his eyes on Jesus. - Black Personality VMI (Urban Ministries Inc).

Making a life...Not just a living Help for This Journey We Are On

It's not always easy to live fully each day, is it? At least it's not for me. It seems that I am always losing my way when it comes to maintaining a positive attitude and a warm and gracious spirit toward people. So, the next time you're grumbling about your day, or all bothered by someone, try these five life-enriching affirmations.

They just might change how you feel about the life you're living.

- Today...I will treat everyone I meet with kindness.
- Today...I will be grateful for everyone and everything in my life.
- Today... I will say "thank you" and "please" - 100 times.
- Today...I will welcome my imperfections. All of them.
- Today...I will relax more and laugh often.

These affirmations aren't complex, are they? Anyone could practice them. They make sense, and deep down, you know they are life-enriching, don't you? So, what are you waiting on? Why not give them a try and see what happens?

ADVERTISEMENT FOR BIDS

Sealed Bids for Lawn Care will be received by the City of Elba, at the meeting room of City Hall; 200 Buford Street; Elba, Alabama 36323, until 10:00 A. M. local time on February 29, 2024, at which time the Bids received will be publicly opened and read. Bids shall be on a lump sum basis.

The owner reserves the right to reject any or all bids and to waive any informalities. The bid is for lawn care maintenance for the following listed properties belonging to the City of Elba Lot #35 OF SMITH BRASWELL SUBD located at 1208 Highland Dr.

Lots #22-27 of SMITH BRASWELL WEST SUBD located at 980 Drayton Ave.; 978 Drayton Ave.; 918 Drayton Ave. (on two lots); and two undeveloped lots.

Regular mowing and maintenance is required to be completed twice for the months of April through September, and once per month for the month of March and October through February.

The areas to be maintained include all areas within the lots described above. Mowing also includes needed weed-eating and edging as well as flower bed maintenance. Shrubs are to be pruned, beds weeded, and pine straw added once each year.

All trash, and debris, should be picked up and disposed of before and after each mowing.

The contractor will furnish all labor and equipment for the performance of this contract. All work is to be performed in a professional manner, using clean, and well-maintained equipment. Mowing must be done during daylight hours.

No mowing or weed eating should be done when people are present to protect them from flying rocks or debris. Any use of weed killer or other chemicals must be approved by the city street supervisor.

The contractor will be paid monthly at Elba City Hall for work completed and inspected. The name of the one responsible for inspection will be provided to the contractor.

The contractor will always have to maintain and provide proof of General Liability Insurance with a minimum of \$500,000 coverage, and a City of Elba Business License. The contractor is required to comply with all local, state, and federal employment rules and regulations.

The contractor shall be responsible for all property damage, accidents, injury, and any other liabilities incurred while performing the lawn care and maintenance. The City of Elba reserves the right to terminate this contract in the event it determines that the contractor has failed to satisfactorily

perform the duties listed in the contract. A 30-day written notice of cancellation will be given to the contractor. Furthermore, the contractor is required to give in writing a 30-day notice if termination of services is desired or if said party becomes unable to fulfill this contract.

All interested parties should submit a sealed bid containing all appropriate contact information, commercial lawncare experience details, at least three references, and the annual bid amount they are submitting. This bid will be for a two-year contract. The contractor will be notified once selected after all bids are reviewed and due diligence by the city council has been completed. The selected contractor will then be required to submit all necessary documents and proof of insurance, as well as sign a copy of the lawn care maintenance to keep on file.

Due to the uncertainty of the mowing needs, we ask that bids be submitted on a "cost per cutting" basis. This will enable the council to budget if additional mowing frequency is required during the summer months. Currently eighteen cuttings have been budgeted for the year. Your interest in this bidding process is greatly appreciated.

STATE OF ALABAMA
PROCLAMATION
BY THE GOVERNOR

WHEREAS the Alabama Legislature at its 2023 Second Special Session enacted Act No. 2023-562 (SB3), proposing an amendment to the Constitution of Alabama of 2022;
WHEREAS, in conformity with Section 284 of the Constitution of Alabama of 2022, as amended, the Legislature has ordered an election by the qualified electors of the state upon such proposed amendment; and
WHEREAS notice of this election, together with the proposed amendment, is required by law to be given by proclamation of the Governor, which shall be published once a week for at least four successive weeks immediately preceding the day appointed for the election;
NOW, THEREFORE, I, Kay Ivey, as Governor of the State of Alabama, do hereby give notice, direct, and proclaim that on Tuesday, March 5, 2024, an election will be held in the State of Alabama in the manner and form provided by law upon the following

proposed amendment to the Constitution of 2022 of the State of Alabama:
**A M E N D M E N T
PROPOSED BY ACT NO. 2023-562**

“Section 71.01 (A) The following words and phrases, whenever used in this amendment, shall have the following respective meanings: “Basic Appropriations” means, with respect to any regular session of the legislature, such appropriations as the legislature may deem appropriate for the expenditures by the state during the ensuing budget period for the ordinary expenses of the executive, legislative and judicial departments-branches of the state, for payment of the public debt, and for education (excluding, however, any item within the scope of the foregoing that is at the time provided for by a continuing appropriation or otherwise). “Budget Period” means a fiscal year of the state or such period other than a fiscal year as may hereafter be fixed by law as the period with respect to which state budgets are prepared and state appropriations are made.

(B) On or before the second legislative day of each regular session of the legislature, beginning with the first regular session after January 1, 1983, the governor shall transmit to the legislature for its consideration a proposed budget for the then next ensuing budget period. (C) The duty of the legislature at any regular session to make the basic appropriations for any budget period that will commence before the first day of any succeeding regular session shall be paramount; and, accordingly, beginning with the first regular session held after January 1, 1983, no bill (other than a bill making any of the basic appropriations) shall be signed by either the presiding officer of the house or senate and transmitted to the other house until bills making the basic appropriations for the then ensuing budget period shall have been signed by the presiding officer of each house of the legislature in accordance with Section 66 of this Constitution and presented to the governor in accordance with Section 125 of this Constitution; provided, that this paragraph (C) shall not affect the pas-

sage of local laws or local constitutional amendments, the adoption of resolutions, or the conduct of any other legislative functions that do not require a third reading; and provided further, that following adoption, by vote of either house of not less than three-fifths of a quorum present, of a resolution declaring that the provisions of this paragraph (C) shall not be applicable in that house to a particular bill, which shall be specified in said resolution by number and title, the bill so specified may proceed to final passage therein. (D) Upon the signing and presentation to the governor in accordance with the said Sections 66 and 125 of bills making the basic appropriations, the provisions of the foregoing paragraph (C) prohibiting the final passage of bills in the house and senate (other than bills making any part of the basic appropriations) shall cease to be effective and shall not be revived or become again effective as a result of (i) the subsequent legislative history of any bill so signed and presented, including any veto, return with executive amendment, or any other

action, or failure to act, by either the governor or the legislature under the provisions of the said Section 125; or (ii) a determination, by either judicial decree or opinion of the justices of the Alabama Supreme Court, that any bill so signed and presented is wholly or in part invalid. (E) The legislature may, by statute or rule, make such further provisions for the timely passage of bills making the basic appropriations as are not inconsistent with the provisions of this Constitution. (F) Nothing contained herein shall be construed as requiring the legislature to make any appropriation not otherwise required by this Constitution to be made.

(G) Notwithstanding any provision of this amendment, any resolution authorizing the consideration of a bill proposing a local law adopted before November 8, 2016 March 5, 2024, that conformed to the rules of either body of the Legislature at the time it was adopted, is ratified, approved, validated, and confirmed, and the application of any such resolution is effective from the date of original adoption.”
FURTHER, I proclaim and direct that this proclamation shall be published once a week for the four successive weeks immediately preceding Tuesday, March 5, 2024, in every county as required by law.

I got to spend a little extra time with my daughter Melissa and my grandson Lawson last week as I drove the Elba Junior Beta Club to a three-day state convention, in Montgomery. While it really wasn't much fun driving a school bus in all the traffic, it was great to get the chance to spend the time with my daughter and grandson. So, I guess it all evened out.

For what it is worth....

*** The Elba Lady Tigers will have already played in the finals of the South Region by the time you read this, but anyway, the Lady Tigers tipped off region play last week and rallied in the second half to knock off upset-minded Georgiana. The Elba girls trailed by 15-points early in the third quarter after a lackluster first half, but caught Georgiana by the end of the quarter and then scored the game's final two baskets to pull out the win. I will give Georgiana credit for having a great game plan and playing well for all four quarters, but it looked to me like the Lady Tigers were overconfident early on and regained their swagger just in time to keep the season alive.

*** The New Brockton Lady Gamecocks saw their historic season come to an end at the South Region with a disappointing four-point loss to Straughn. The Lady Gamecocks battled for all four quarters in their first trip ever to the region tournament and left feeling like they could have won the game and kept their season alive, if not for the fact Straughn was whistled for a total of 10 team fouls the entire game, while the Lady Gamecocks had three starters foul out. Despite the way it turned out, New Brockton put girls' basketball back on the map and no doubt will return next season with a new determination to make it back to Montgomery, and beyond.

*** The high school baseball season opened last week and the Elba Tiger junior varsity hit the field and split a doubleheader with Zion Chapel. The Tiger JV have struggled in recent years to find wins, but was ready to play in its opener and it was good to get win number one in the first game of the season. The young Tigers obviously have a lot of work left to do, but to get an early-season win should pump lots of enthusiasm into the players and lead to many more wins along the way.

*** The Elba Lady Tigers junior varsity opened its softball season last week in a tournament in Ozark and played five games in two days to open the season with a bang. The Elba girls battled through the cold temperatures and rain to post two wins in the eight-team tournament, and the coaches made sure every single player on the roster got the chance to bat and play in the field. It was good to see the girls pick up two early-season wins and I believe this bunch will win a lot more as the season rolls along.

*** A look around the area found a relatively quiet week for high school baseball and softball teams. On the baseball field, Zion Chapel's junior varsity hit the field three times and closed the week with a 2-4 record, while the Gamecocks from New Brockton Middle School got off to an 0-2 start, and the Kinston JV split its opening two games. Over on the softball field, Kinston JV opened the week and logged seven straight wins to open a lot of eyes, while Zion Chapel got a big season opening win over the Kinston varsity. Maybe it wasn't as quiet as I thought!

*** In closing.... I went to a JV softball tournament in Ozark over the weekend and while everyone was there to enjoy the sport of softball, many of the people I talked with wanted to know when Alvin Henderson would commit and where he was headed. I told them he doesn't appear to be in any hurry to make a commitment, but the majority of the folks that asked were Auburn fans and were pulling for the Elba Tiger standout to head to the Plains. In Alabama it is football season twelve months a year.

In South Region opener

Elba escapes Panther trap 41-37

The Elba Lady Tigers opened play last Wednesday afternoon at the South Region basketball tournament, at Garrett Coliseum, in Montgomery, and rallied in the second half to post a hard fought 41-37 win over the Georgiana Panthers.

Elba grabbed an early 4-2 lead on a basket by Brooke Tinsley, but then went almost four minutes without scoring and watched as Georgiana went on a run to open up a 12-4 advantage. Kendra Juarez scored with 1:33 left in the first quarter to snap the scoring drought, but the Lady Tigers never got on track and trailed 14-6 heading into the second stanza.

Elba continued to have problems finding its way to the basket in the second quarter and after an early free throw by Ana Caldwell this time went almost six minutes without a point as Kendra Juarez again battled her way inside for a basket with 33-seconds left in the half that left the Lady Tigers behind 22-9 at intermission.

Georgiana upped its lead to 24-9 early in the third quarter, but an aggressive defense and the play of A'Lyric Whitfield and Ana Caldwell sparked an Elba rally as the Lady Tigers pulled even at 27-27 with 25-seconds left in the quarter on a Caldwell basket.

Georgiana moved back on top 31-27 early in the fourth quarter. However, the Lady Tigers again battled back and took their first lead since early in the game at 37-35 with 3:03 left on the clock on a Kendra Juarez basket. The score was tied at 37-37 with 1:47 remaining, but Alayvia Stinson scored on a fast break layup with 1:05 left to out Elba back on top, and

Elba Lady Tiger Kendra Juarez (25) eyes the basket after getting inside a Georgiana defender. Juarez helped the Lady Tigers keep their season alive last week as she scored 14 points and grabbed 10 rebounds in a 41-37 region win.

when Ana Caldwell scored inside with six seconds left the Lady Tigers had finally closed out the 41-37 win.

Kendra Juarez scored 14 points and grabbed 10 rebounds to lead Elba, while A'Lyric Whitfield added 13 points and 9 rebounds,

and Ana Caldwell scored 7 points, grabbed 11 rebounds and blocked 5 shots. Also scoring for the Lady Tigers were Alayvia Stinson, Brooke Tinsley 2 and Tajah Robinson 1. The Elba defense sparked the second half rally

as in the game the Lady Tigers forced 26 turnovers and had 14 steals. Lillie Boggan scored 13 points and grabbed 10 rebounds to lead Georgiana, while Nyeashia Thomas added 8 points and pulled down 28 rebounds.

Zion Chapel 18 Elba 1

Governor Ivey announces Conecuh Sausage coming to Andalusia, Alabama in \$58 million growth project

Governor Kay Ivey last week announced Conecuh Sausage, an iconic Alabama maker of hickory smoked sausages, plans to invest nearly \$58 million to open a second production facility in the state, creating 110 jobs in Andalusia, Ala.

Conecuh Sausage was founded in Evergreen, Ala., in 1947, and the production location in Conecuh County will remain operational as the company expands to meet increasing demand for its products.

"Conecuh Sausage is a landmark homegrown brand, and I am thrilled to see that the company continues to grow and thrive right here in 'Sweet Home Alabama,'" said Governor Ivey. "This growth project will allow Conecuh Sausage to extend the reach of its brand and put its distinctive Alabama flavors in even more kitchens."

Conecuh Sausage is a family-owned business that produces high-quality meats with a patented blend of seasonings. Its sausage products are sold directly through the company's on-line store and Gift Store as well as through local grocery stores, national retailers and independent distribution companies.

Conecuh Sausage owners John Crum Sessions, president, and his son, John Henry Sessions, said they are making their long-term

vision a reality in their quest to satisfy the demand for Conecuh Sausage products.

"We are eager to join the Andalusia community and add jobs and growth to the local economy while remaining in the state of Alabama," the duo said in a statement. "We are thrilled with the opportunity to expand our production facilities and increase distribution to serve our loyal customers."

As part of the project, the company commits to creating at least 110 new jobs in Andalusia and to investing \$57.8 million to construct and equip the new facility in Covington County, according to the Alabama Department of Commerce.

"Conecuh Sausage's expansion project positions the company for sustained growth while also generating a significant economic impact in the Andalusia area," said Ellen McNair, Secretary of the Alabama Department of Commerce. "We're happy that the company decided to expand its production footprint in South Alabama rather than going to another state."

After researching multiple expansion locations in the Midwest, Conecuh chose to remain in their home state of Alabama.

"This is an exciting and important day for the city of Andalusia," said Mayor Earl Johnson. "We have been working for decades

to be prepared when a company like Conecuh Sausage was ready to expand here, and we appreciate the Sessions family for their confidence in our community and the investment they are making here.

"I cannot overstate the positive impact this facility and the jobs it will generate will have on our community in the coming years," said Mayor Johnson. "Many people worked very hard to put this project together, and we are appreciative of their efforts."

Other local officials also applauded Conecuh Sausage's investment plans in Andalusia.

Elba Library to host book talks Friday and Monday

The Elba Public Library will host author Jeffrey K. Smith for a Book Talk and Signing this Friday, Feb. 23, at 2 p.m. There will be light refreshment served.

Smith's book, *Freedom and Opportunity*, will be highlighted at this event. It is a narrative about the remarkable life and times of Robert Smalls.

Born a slave in Low Country South Carolina, Smalls managed to plan and orchestrate a daring escape from involuntary servitude aboard a purloined Confederate steamship in May 1862.

Robert Smalls' compelling life is a genuine rag to riches story. His journey from Gullah-born slave to respected statesman is seamlessly interwoven with the complex history of the beginning, propagation, and end of the barbaric institution of slavery in the United States.

Then, on Monday, Feb. 26, at 6 p.m., the Elba Public Library will host author Rodrick Caldwell for a second Book Talk.

Caldwell is the author of *Man Thou Art Loosed* and *Triggers, Volume 2*. This small handbook is about not letting past trauma destroy the future.

Again, light refreshments will be served during the event.

All are invited to attend both events to meet and talk with the authors.
